

Project WILD & Aquatic WILD . . .

International programs providing interdisciplinary conservation and environmental education materials focusing on wildlife. Designed for K-12 classrooms, youth groups, and nature centers.

Whoop it up at a WILD workshop!

Join the ranks of over 30,000 Wisconsin educators by attending a workshop in your community.

Participate in fun, interactive activities.

Network with other educators—share ideas, strategies, and stories!

Expand your knowledge of Wisconsin's wildlife.

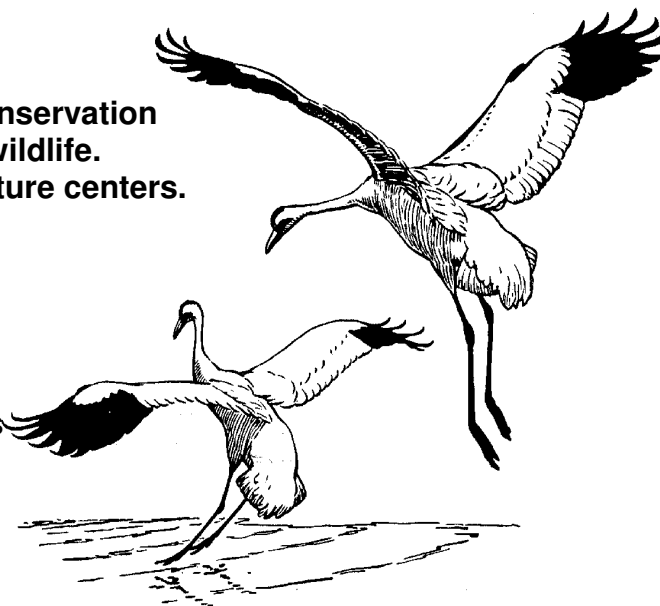

Attend a K-12 workshop and receive the **Project WILD and Aquatic WILD K-12 Activity Guides** plus lots of great resource materials. Workshop fee \$25.00.

NEW! Science and Civics: Sustaining Wildlife Activity Guide. for grades 9-12; designed to involve young people in decisions affecting wildlife, people, and habitat.

Attend or sponsor a workshop today!

Want to attend a workshop? A Teacher Workshop Calendar can be found at:

www.dnr.wi.gov/eeek/teacher/calendar.htm
